## o HOBBIES o

I play the piano, and trumpet and love to sing. I love to dance and have had formal training in modern jazz and ballet. I love writing scripts, producing and making videos. I love to draw and paint. I play basketball and volleyball and I am passionate about my cats and dog, hence my kitten has his own social media account. I love 60s, 70s and 80s music and I love classic cars.

## PROFILE

Interested in applying my personality and skills in obtaining an acting role. Through the workshops and classes that I have attended, I have been consistently complimented of my camera ready face and the maturity and mysteriousness of my personality.

## PERFORMANCES

### School Production - Wizard of Oz July 2014

Auditioned with ten other actors for the role of Dorothy. I was chosen and played an amazing role of Dorothy in the school production and realised for the first time how much I love acting.

### Piano Recitals October 2014 – June 2018

Performed in three piano recitals per calendar year.

### Dance Recitals July 2009 – June 2019

Performed in dance performances for outdoor community events, studio dance recitals and school dance performances.

### Band and Choir Performances January 2017 – June 2019

Performed in music showcases, public performances in the park and school performances.

## TRAINING

### Behind the Scene Summer Camp August 2017 – August 2017

Participated in UVIC Science Venture "Behind the Scene" summer camp. We learned about the science of camera work, sound stage and lighting for movie making. We produced our own stop-go animation which was featured at the end of summer camp.

### SKAM Theater July 2018 – July 2018

Character and film camp where we worked on character building and wrote and produced our short videos.

### Spotlight Academy Christmas Film Camp

November 2018 – November 2018

Attended camp where I discovered the magic of film making.

During the course the group in attendance developed a story and characters and shot a movie, taking on the roles of actors and camera crew and gaining the skills and a firm understanding of film making.

### Spotlight Academy - Teen Professional Program

January 2019 – May 2019

Attended the Professional Teen Program three hours each week to learn about being audition ready. This program included learning about scene study, character development and on-camera audition technique. It was a great way to learn about the acting industry as well and the finesse of acting.

### Spotlight Academy - Audition Workshop

March 2019 – March 2019

Workshop with Kris Woznesensky to learn about real audition scenarios and conducted cold read of given sides.

## ACHIEVEMENTS

### Speech Competition

May 2019 – May 2019

Came in first in the finals for the senior class Speech Competition for my school. I presented a 4 minutes and 50 seconds speech on the life of David Bowie.

### Science Fair

May 2018 – May 2018

Entered the school Science Fair with my "Black Snake" experiment and won second prize in the senior level.

### Paintings Exhibited in Gallery

February 2017 – February 2017

Painting chosen to be exhibited in art show.

### Anti-Bullying Poster Contest

June 2014 – June 2014

Won nation-wide poster contest which had my picture featured in a calendar. The best part of the contest was to be awarded \$500 for the purchase of books for our school library.
